The Association of
Accountants and
Financial Professionals
in Business

OUR VISION

Providing high quality training and support services to our students and corporate clients. Providing access to national and international professors/trainers who create master minds and transform learning.

OUR MISSION

Rigorous training and Knowledge Dissemination. Equipping the students with development of critical skills to face the challenges of the complex global society

Association of Chartered Certified Accountants (ACCA)

ACCA is a Globally recognized qualification that provides world-class accountancy expertise with the highest standards of practice and ethical behavior. ACCA reached over 7,00,000 members and students worldwide, with more than 208,000 fully qualified members and 503,000 students in 178 countries and a network of more than 92 offices & Centers across the world, more than 8,500+ Approved Employers worldwide, who provide high standards of employee learning and development.

01

Get preferential immigration

ACCA professionals get preferential immigration status in Australia, Canada, UK, New Zealand, Ireland and so on

02

Globally Accounting Body

The ACCA is one of the largest & fastest growing Global Accounting Body.

03

Flexible working

An ACCA can work in any sector with roles in Accounts, Auditing, Compliance, Finance, Tax, Fund Management, Merger & Acquisition and other such functions.

04

Internationally recognised

It is a prestigious accountancy body whose membership is internationally recognised.

- 1** Global recognition
- 2** Huge opportunity in UAE, Middle East and all around the Globe
- 3** Multiple Certifications
- 4** Defined Exit Profiles to get job at any level
- 5** Exemptions in ACCA Exam for Commerce Graduates

WHY ACCA

.....

An ACCA gets an average 40 -50% higher salary than the other non certified Accounting professionals.

TOP 10 REASONS TO STUDY ACCA

Increased Career Prospects:

- Obtaining the ACCA demonstrates both a commitment to growth and immense technical skill which leads to more opportunities on an international level and the possibility of higher salary.
- There is also the possibility to work near anywhere in the world as the ACCA is recognized in over a 170 countries and thus it can prove to be a career booster.

- Skill of the candidate in the eyes of the clients and the employers increasing the probability of both promotions and success' on the professional level.
- Flexible study is something that is not just possible but recommended. One can choose to study each and every paper in a different way, at different times and still complete the qualification in a reasonable time frame while continuing their work thus fulfilling the experience aspect of the qualification.
