in Business

VISION

Providing high quality training and support services to our students and corporate clients.

Providing access to national and international professors/trainers who create master minds and transform learning.

MISSION

Rigorous training and Knowledge Dissemination. Equipping the students with development of critical skills to face the challenges of the complex global society

Certified Management Accountant

CMA (USA) is an internationally recognized qualification provided by IMA (USA). You can add a big value to your career by holding this prestigious qualification and get demanded by top companies all over the globe. CMA happens to be the most convenient, economical and smart way to be a full-fledged management accountant within a span of 6 to 9 months.

Why CMA?

International Recognition

CMA USA is recognized in the Middle East as well as the entire globe & exams can be held in the UAE.

Short Duration Course

Duration of 6 months from the start date. The course; however, students may prefer to take more preparation time in view of their other professional & family commitments.

CMAAs earn 122% more

CMAAs earn 122% more in average salary and 117% more in total Compensation than their noncertified peers. This means that on average, earning a CMA will more than double your earnings.

they really support you well.**

Jagdish Mhavarakar

**I have taken CMA part 1 & 2 training from Delphi. It's
awesome and excellent learning experience with Delphi.
Good training environment, best online & offline learning
facility, good materials, very good experienced trainer.
Mr. Bibin as admin of delphi takes care of each and every
requirement of students. Overall it makes worth learning
with them. Finally if you have dedication towards studies
then no one can stop you to make it possible**
