What is CompTIA ?

COMPTIA SECURITY+ IS A GLOBAL CERTIFICATION THAT VALIDATES THE BASELINE SKILLS YOU NEED TO PERFORM CORE SECURITY FUNCTIONS AND PURSUE AN IT SECURITY CAREER.

Organizations are becoming more informed about cyber security challenges that have penetrated the world of technology. Various job profiles, such as a penetration tester, an ethical hacker, and a cyber security analyst are around the corner on all IT job websites, and several new ones are being generated on a daily basis. Security professionals are in high demand in the IT field

Why CompTIA?

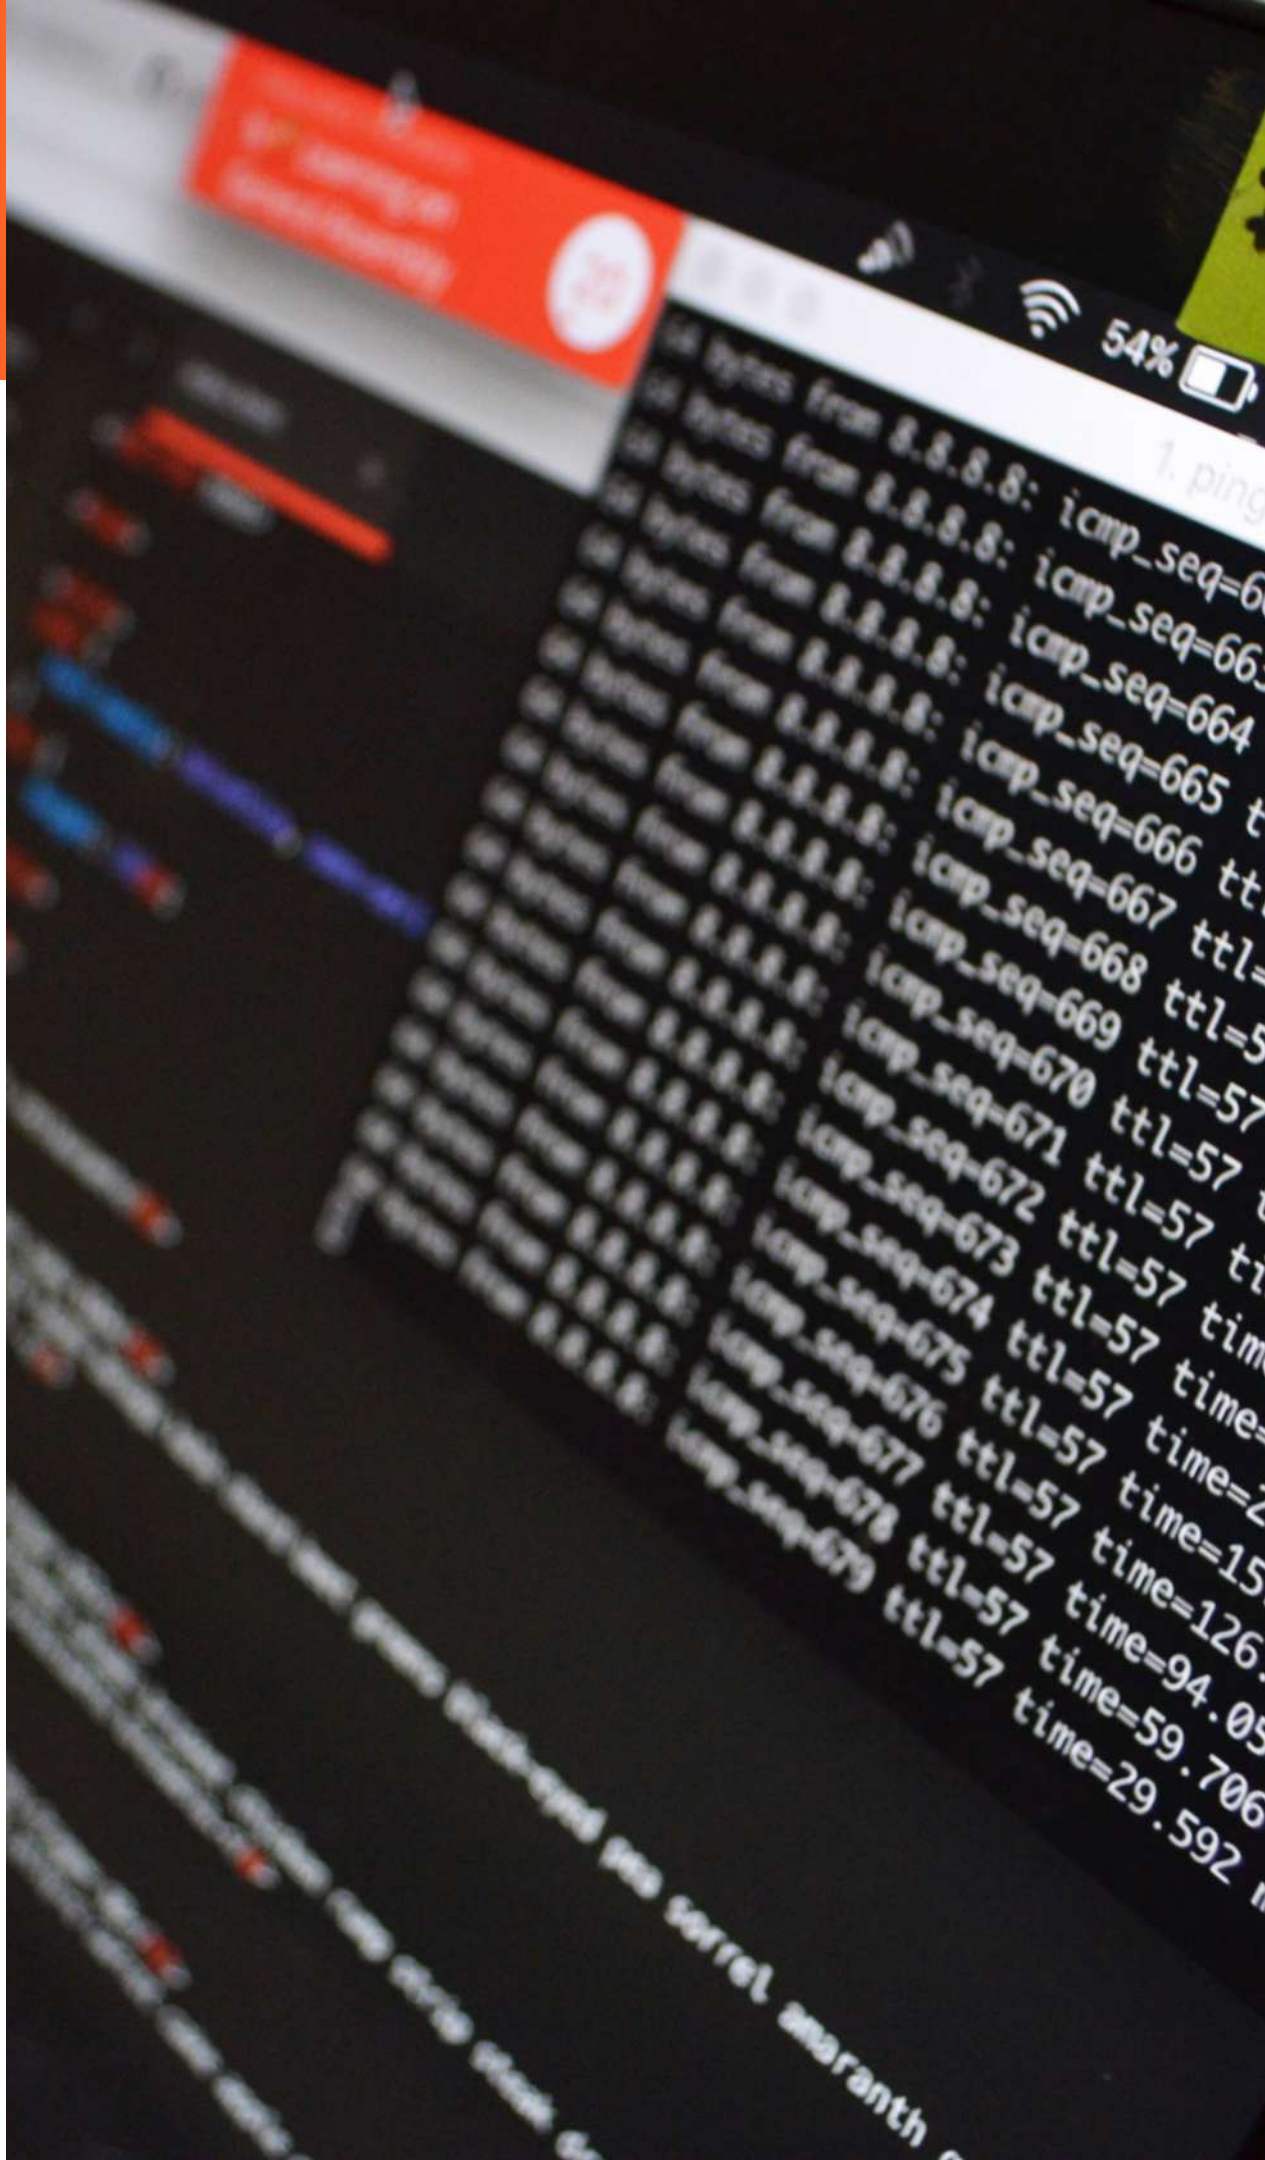

Hands-on experience

Security+ emphasizes hands-on practical skills, ensuring the security professional is better prepared to problem solve a wider variety of issues

Focuses on the latest trends

Security+ focuses on the latest trends and techniques in risk management, risk mitigation, threat management and intrusion detection

OUR PHILOSOPHY

”Recognizing the need is the primary condition for success.”

Charles Eames

Client testimonials

Issa Al Mashini

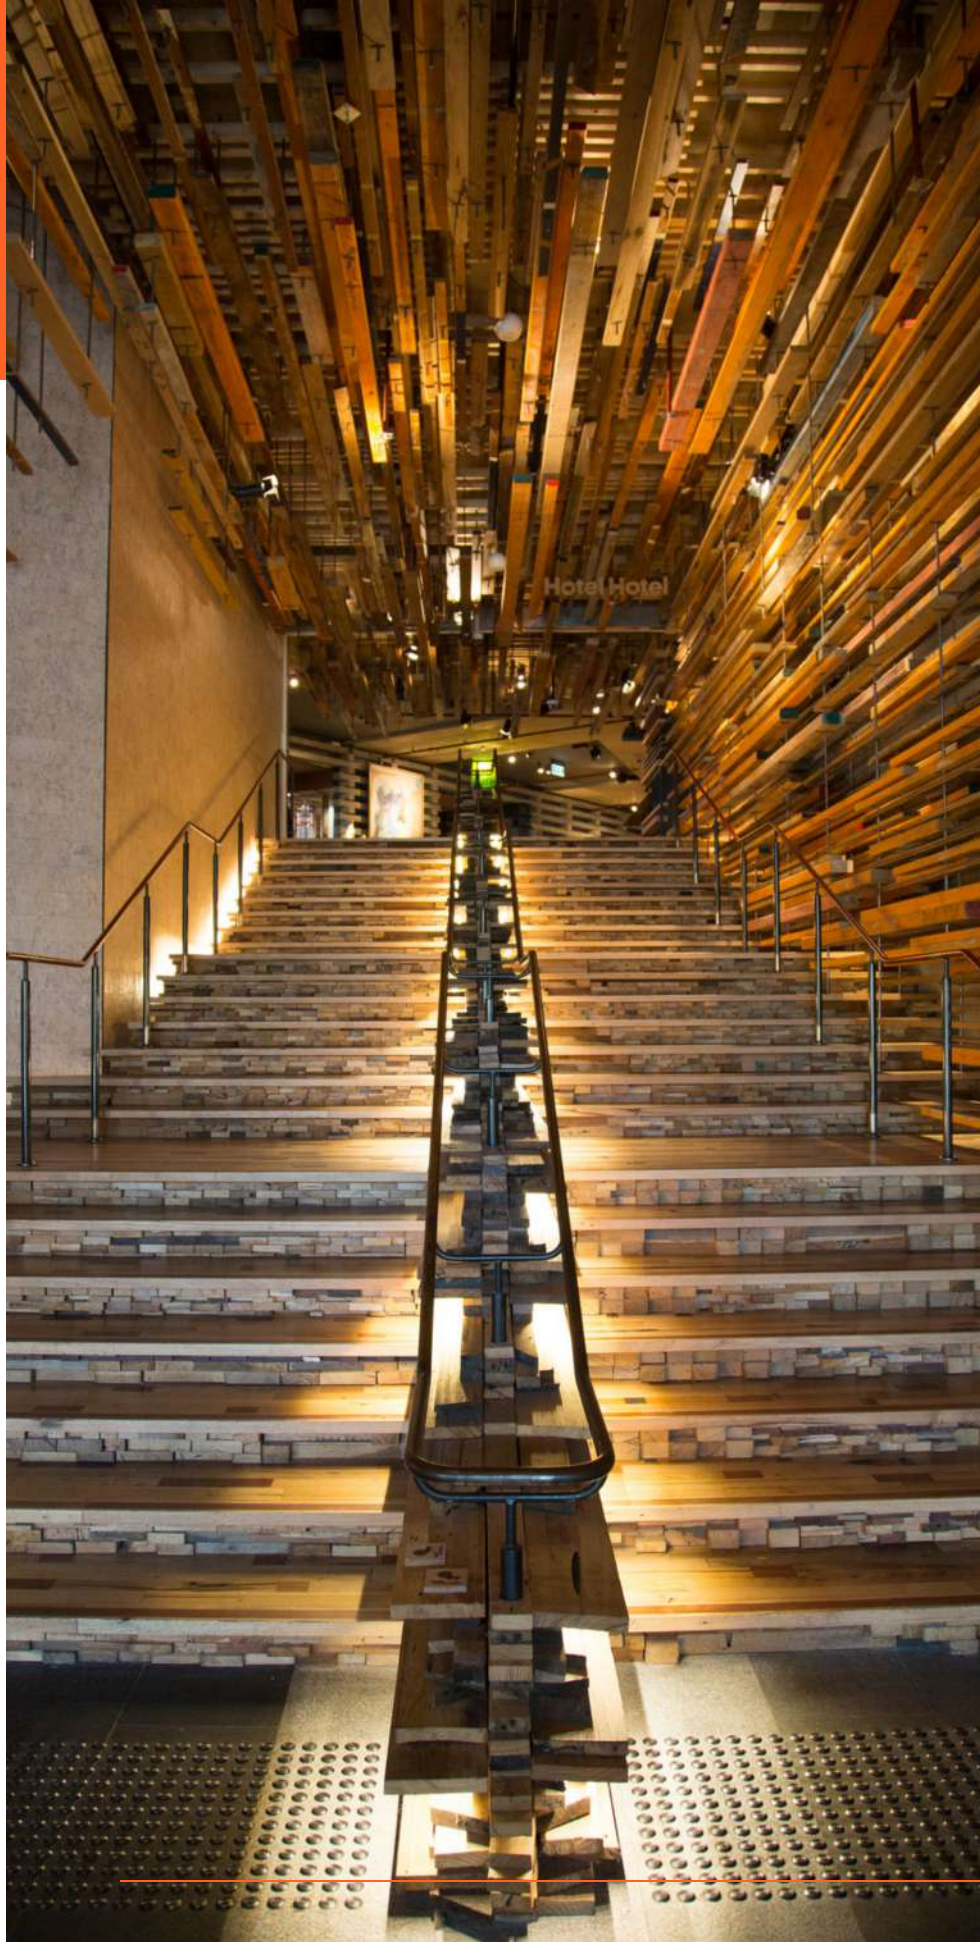

I have really enjoyed the course with Delphi and Parvez, the instructor was very knowledgeable and experienced. He has the skills for explaining every topic very efficiently. I will probably take another course with him.

Abdul Naeem

Delphi Star is the best Training Center in UAE in affordable prices. I love to have more courses in the coming period to enhance my experience and capabilities.
