Delphi has been established by qualified professionals to accomplish the growing needs of professionals by enhancing their job productivity in MENA region & India. The Institute is approved by the Knowledge and Human Development Authority (KHDA), Dubai, UAE. Delphi is also an approved training center by the professional accounting body, IMA (USA).

We are also an ISO 9001:2015 certified company.

The Association of
Accountants and
Financial Professionals
in Business

About Us

Providing high quality training and support services to our students and corporate clients. Providing access to national and international professors/trainers who create master minds and transform learning.

Rigorous training and Knowledge Dissemination. Equipping the students with development of critical skills to face the challenges of the complex global society

OUR VISSION & MISSION

CPA

CERTIFIED PUBLIC
ACCOUNTANT

CPA is considered to be the most elite professions & the Highest Qualification in the field of Accountancy. CPA Examination is administered by the American Institute of Certified Public Accountants (AICPA) which is the world's largest Accounting body. Most CPA's, having started their Career in Accounting, can virtually work in whatever area of Finance like Assurance, Attestation, Financial Accounting, Analysis & Planning, Forensic Accounting, Income Tax, Regulatory Reporting, Merger Acquisition and such other fields. A CPA serves to protect the public interest in a rapidly changing business and fiscal environment.

75%

A CPA earns more than
a non-CPA accountants

Why CPA?

In 2020

- ✓ Gain Potential for Higher Levels of Authority
- ✓ Online Exams with Multiple Choice & Simulations
- ✓ International Recognition
- ✓ Huge Opportunities in Middle East & Globally
- ✓ Course duration: Less than One year
- ✓ Enforce higher standard of accounting

Career Opportunities

According to the Robert Half 2015 Salary Guide, Middle East, challenges identifying and recruiting finance professionals continue, with the majority (83%) of executives citing skill shortages, particularly in general accounting, financial management / control and business / financial analysis.

Most business prioritizing the recruitment of qualified accountants makes it difficult for non-qualified professionals to be shortlisted for roles. The CPA is by far the most broadly recognized both inside and outside the accounting and finance world.
