- Recognition of faculty, who are the pillars of the institute

Mission

- Offering customized result-oriented learning that is relevant and practical
- Providing high quality training and support services to our students and corporate clients.

ABOUT TALLY ERP 9

Your growth partner

Tally.ERP 9, a software that grows with you. You are assured that your needs, as you grow are easily handled. With Tally, you can manage multiple companies and incrementally add features such as multiple go-downs, multi-currency, order process,

Better control over cash flow

Quick and hassle-free bills receivables and payable management help you to get paid faster as well as managing payment timelines. Also, Tally facilitates easy and efficient stock movement, making it possible to optimize the cash

Improved productivity

With the speed that Tally brings, you can get things done quickly and save precious time, helping you do more for less. Insightful reports at blink of eye help you make confident decisions and plan the growth of your business better.

Better tax compliance

Tally's Prevention, Detection and Correction mechanism ensures that your books are always accurate, hence giving you the confidence that the returns you file are always correct!

Simple and useful

You can edit vouchers from within the Balance Sheet, change the Stock groups from within Stock Summary and so much more. It just operates the way you expect it to; this is such a delight to use, that you would almost feel like it's made for you

Work like a charm

Tally moves as fast as you. With Tally's 'flow-based data entry' system, you will be able to enter any data in seconds. With instant single-key reporting, all your business reports will be generated at a flick.

Designed for your business

You can operate Tally the way you want; from things as simple as grouping stocks your way, to using multiple stock units. Your use of Tally will only be limited by your imagination.

Worthy of trust

You will always be rest assured about authenticity of your tax compliance. We have taken all the measures, so you continue to focus your energy on your Business
